

Pacific Coast Reproductive Society Exhibits - 2009 Annual Meeting

Set-Up

PCRS exhibit staff will be available for set-up.

Your registration packet will be waiting at your booth.

PCRS staff are stationed inside the exhibit hall during the entire set-up process to assist you in finding your booth space, answer your questions and coordinate the hotel's electrical, engineering and communications departments to ensure you have received your exhibits electrical and communications requests.

Electrical and communications request forms must be completed and in the Society's possession by **March 1st** in order to avoid on-site fees of \$35 per form in addition to cost of service.
